Summary

I have a history of collaborating with teams to create highly effective, cutting-edge websites that captivate customers and drive business outcomes. I am deeply knowledgeable about design standards and user preferences. As a resourceful professional, I have a proven track record of crafting inventive web designs and implementing engaging features. I possess a strong foundation in HTML, CSS, JavaScript, Bootstrap, and jquery, and I can easily adapt to new technologies. My experience includes successfully identifying and resolving intricate code issues.

Education

Vikas Vidyalaya Matric Hr.sec School

- **React ui**

Certifications

Certificate of Internship
Genocus tech services Private Limited

Course completion Certificate
Edyoda Digital University

💼 Experience

Front End Developer Intern

Genocus Tech Services   *April 2023 - Oct 2023*

- I acquired proficiency in HTML, CSS, JavaScript, Bootstrap, and jQuery starting from the basics.
- I developed a local homepage and delegated projects suitable for interns.
- Coded using HTML, CSS and JavaScript to develop features for both mobile and desktop platforms
- I gained an understanding of how the entire UI developer ecosystem operates.

Blazon Technology Services   *Nov 2024 - Feb 2024*

- Collaborated with stakeholders during development processes to confirm creative proposals and design best practices.
- Worked cooperatively with client services, sales and design team in deadline-driven environment.
- Tested web-based product functionality and delivered iterations to customer.
- Coordinated with digital content manager to obtain content for updates and expansions.
- Produced websites compatible with multiple browsers.

Learning Technical Skills

- **React Js**
- **Ant Design**
- **React Bootstrap**
- **Swiper js**
- **Node**
- **Npm**
- **Jsx**

Live Projects

- **Smile3denterprises** Gift Website

- **Sigma Print** Printing Website

- **Spectrum** Machinery Website

- **Setmatrix Information Technology** Company Website
- **Cloudynest** Printing Website

- **Dyuken Furniture** Furniture Website

- **Tekmak Industrials** Industrial Website

- **FullyBiriyani** Food Website
